1.0 THE DELIVERABLES

The Corporation of the City of Mississauga (the "City"invites bids from qualified bidders in response to this Request for Proposal (NRFP) for an Online Submission Management Software solution. Currently, the City's processes certain application submissions through SurveyMonkey Apply on three (3) separate sites. Under this Statement of Work, the Supplier will improve the City's current processes by executing the Project goals and objectives detailed herein. The intent is for the City of Mississauga to enter into a long term relationship with the Supplier. The City is seeking a solution that is capable of meeting its business and operational needs for an initial term of up to five (5) years with an option to extend the agreement for up to an additional five (5) year term.

The City has engaged the Supplier to undertake this project to implement an online submission management software that supports three (3) divisions and four (4) different business units within the City of Mississauga for application-based processes. The software will support a workflow that includes application intake (including multi-year applications), review, applicant notifications, reporting (including final report submissions) and archiving capabilities, with built in automations and triggers in the workflow. The software will be easy to use by non-IT staff and allow for customized application portals that can be updated year-to-year and project-to-project. The anticipated outcomes of this project will be to provide an online submission management software that streamlines the application, review and reporting processes to support the business units involved including, Grants (Community Development & Heritage), Celebration Square (Event Development), Tourism Event Hosting (Economic Development) and Public Art (Culture Planning – Parks).

This project includes supply, installation, configuration, subscription, maintenance & support, licensing, professional services, integration, and ongoing annual operational costs. The supplier should provide fixed term pricing for each of the optional years.

Complete Schedule C - Functional Requirements in the City's e-bidding system.
Complete Schedule D - Technical Requirements in the City's e-bidding system.

Complete the Cybersecurity Impact Assessment (SaaS) in the City's e-bidding system if the solution you are recommending is a SaaS solution.

Complete Cybersecurity Impact Assessment On-Prem (non-cloud) in the City's e-bidding system if the solution you are submitting is an On-Prem (non-cloud) solution.

Complete Privacy Impact Assessment in the City's e-bidding system.

D. Demonstration (10.00 points)

The top three (3) ranked bidders, scoring a mimum of 70% for STAGE II Evaluation, will be invited to participate in STAGE II Demonstration.

STAGE II Demonstration

Short-listed bidders will be required to provide a demonstration of their proposed solution. The City will verify the capabilities and features of the proposed solution with the bidder's written proposal. The demonstration will be conducted via WebEx meeting and will be approximately three (3) hours in duration. Short-listed bidders will be given one (1) week to prepare for the demonstration.

The demonstrations and test site will serve as mechanisms for further evaluation of the solution proposed by the shortlist. Short-listed bidders should have qualified personnel on hand to answer functionality, technical or other questions that City staff may have regarding the demonstration.

Further detailed evaluation of the demonstration will take into account discussions, presentations, experience on the test site and clarifications with/by short-listed bidder and analyses by the City, together with any other considerations the City, in its sole discretion, deems necessary to complete its assessment of the short-listed bidder. In response to questions and providing additional information, demos, test sites, a bidder cannot alter their original Bid.

The bidders participating in STAGE II Demonstrations will have their scores for Stage II Evaluation and Stage II Demonstrations added together to determine their overall Rated Criteria. Those bidders scoring a minimum of 70% within the Rated Criteria, in accordance with Part 2 Evaluation and Award, will advance to the next stage.

5.2 STAGE III – Sustainability Criteria (5.00 points)

A. Sustainable Leadership Questionnaire (2.50 points)

PREVIEW
YOU MUST BE A REGISTERED PLAN TAKER TO DOWNLOAD AN UNMARKED VERSION OF THIS FILE
WWW.BIDSANDTENDERS.COM – ORIGINAL DOCUMENT SOURCE

The City is committed to continuously improve the social and environmental impacts of its procurements in a transparent and accountable way that balances fiscal responsibility, social equity and environmental stewardship.

The questionnaire relates to the proponent's internal operations and overall sustainability leadership. Answers will be evaluated and scored; proof of compliance may be requested.

Upload all documents, in a single zip file, to Document Upload: Sustainability Criteria in the City's e-bidding system.
Complete Schedule: Sustainability Leadership Questionnaire in the City's e-bidding system.

B. Training & Apprenticeship Strategy (2.50 points)

Please explain how, if awarded this Contract, the bidder will provide training and apprenticeship opportunities as part of the performance of this Contract:

- Provide the number of hours that the bidder will commit to provide to apprentices, paid interns, and paid work experience positions working on this Contract; and
- Provide a detailed strategy for how the bidder will meet the above commitment, including how the bidder proposes to allocate the hours during the life of the Contract.

The City will evaluate bids on the basis of the number of hours committed and the robustness of the strategy to deliver these hours.

Upload all documents, in a single zip file, to Document Upload: Sustainability Criteria in the City's e-bidding system.

Complete Schedule: Sustainability Criteria - Training & Apprenticeship Strategy in the City's e-bidding system.

5.3 STAGE IV – Pricing

Fixed Fee Pricing **35.00 points**

6.0 PRE-CONDITIONS OF AWARD

The award of the Contract is subject to the receipt of sufficient funding and appropriate staff and Council approvals.

The successful bidder shall, <u>within seven (7) business days</u> of receiving written notice of award from the City, submit to the City the following documentation, identified by "☒":

☐ A completed, signed and otherwise valid City Standard Certificate of Insurance, evidencing the insurance identified in Section 2.0 Material Disclosure; the City Standard Certificate of Insurance can be found on the City's website.

☒ A current copy of its Workplace Safety and Insurance Certificate of Clearance;

PREVIEW
YOU MUST BE A REGISTERED PLAN TAKER TO DOWNLOAD AN UNMARKED VERSION OF THIS FILE
WWW.BIDSANDTENDERS.COM ORIGINAL DOCUMENT SOURCE

☒ A list of the individuals the bidder proposes for the Key Personnel positions identified in its response to a prequalification process. If any of the proposed Key Personnel are different from those proposed in the bidder's response to the prequalification process, the bidder shall identify the reason for the change

For new suppliers: If your company is not yet set up with the City for payment by Electronic Fund Transfer (EFT), the following documentation will be required:

a) Vendor Registration (Articles of Incorporation, Sole Proprietorship Registration, Partnership Agreements, etc.);

b) Canada Revenue Agency Registration (Business Number);

c) Signed EFT Form, voided cheque or official bank letter for payments (Electronic Funds Transfer set-up); and

d) Sample Invoice.

The supplier's name on all submittals must match the bidder's account information on the bidding system and bid submission.

7.0 SPECIAL TERMS AND CONDITIONS

7.1 City's Tariff Response

The following provisions are in response to United States (US) tariffs on Canadian products and services. Should tariffs be lifted, the City may take such event into account when deciding whether to exercise the right described below.

a. If the highest-ranked bid is submitted by a US Bidder, and the highest-ranked bid submitted by a Non-US Bidder is within twenty percent (20%) of the price of such US Bidder's bid, the City shall have the right, in its sole discretion, to award the contract to the Non-US Bidder. The City may exercise or decline to exercise this right without liability, cost, or penalty to any bidder or any other person.

b. For the purposes of the City's Tariff Response:

i) **"US Bidder"** means a bidder that:

a) is a service provider, supplier, manufacturer, or distributor operating on a permanent basis in the United States; and

b) employs more than sixty-five percent (65%) of its full-time employees within the United States on the bid closing date.

ii) **"Non-US Bidder"** means a bidder that does not meet the criteria of a US Bidder.

c. In determining whether a bidder qualifies as a US Bidder or a Non-US Bidder for the purpose of this section, the City may rely on a representation made by the bidder that it meets one of the foregoing definitions.
