ADDENDUM NOTICE

Addendum #: 3

Addendum Issue Date: December 10, 2025
Bid No: RFEOI25-466
Description: AI for City Building Lab
Closing Date: Tuesday, May 19, 2026 3:00 PM

THE additions, deletions and/or revisions as hereinafter specified, shall form an integral part of the bid document and shall be read in conjunction with the requirements set forth in the bid document.

THE Addendum shall take precedence over all requirements to the aforementioned information in which it may prove to be at variance.

Part 1 – Additions

Addition 1:

The following has been **added** in its entirety to Section 11 Appendix A, Terms of Reference:

Acceptable compliance benchmarks include, but are not limited to the following:

- American Institute of Certified Public Accountants (AICPA) Service Organization Control (SOC) 2 Type 2
- International Organization for Standardization (ISO) 27001:2013

- Payment Card Industry (PCI) Data Security Standards (DSS)
- Cloud Security Alliance (CSA) Security, Trust Assurance and Risk (STAR)
- FedRAMP

Part 2 – Questions and Answers:

Question 1:

Whether the solution must be on-premise, or if cloud deployment is acceptable.

Answer 1:

Both deployment options, on-premise and cloud will be considered as part of the Assessment Framework indicated in Section 12 of Appendix A, Terms of Reference.

Question 2:

The level of customization permitted or required, and approximately how many hours would be in scope to get the solution production-ready.

Answer 2:

Refer to Section 8 (a) and (b) of Appendix A, Terms of Reference.

Question 3:

Any specific security or data-security requirements.

Answer 3:

Refer to Section 11 of Appendix A, Terms of Reference.

Question 4:

Whether their existing content is already digitized or still paper-based.

Answer 4:

Most of the existing content is available in digital formats such as PDFs, database tables, and images; however, some materials may still be in paper form.

Question 5:

Whether they require a dedicated content repository.

Answer 5:

The need for a dedicated content repository will depend on the solution and the specific business use case outlined in Appendix A, Section 6, 7, and 7.1 of the RFEOI; some scenarios may require one, while others may not.

Question 6:

Could you please clarify whether the 5-page limit applies to each requirement in Section 13 individually, or if the entire response for Section 13 must not exceed 5 pages in total?

Answer 6:

The entire response for Section 13 must not exceed 5 pages in total.
