Schedule of Prices

Prices shall be in CND dollars.

Required Pricing Information

Provide a firm fee for the services broken down as shown below. Fees are to include all components required to operate the system, costs of implementing implementation and providing the services, including labour, training, travel, accommodation, implementation, testing, support and validation, go live, quotes life support, documentation. Include all consulting costs attributed to field work, investigations, and testing. Any items that are required for the efficient operation of the system will be supplied by the successful Proponent at no extra cost, regardless of when such items were identified. Separate claims for disbursements will not be allowed. Please be sure to provide firm prices rather than estimates. Rates are to be firm throughout the five-year contract.

Annual costs proposed must be all inclusive including all subscription, licensing, maintenance, support and administrations costs.

HST will be calculated from the Total Bid Price submitted.

Description	Quantity	Unit Price	Total Price
Software Installation and Configuration			
Data Migration			
User Testing and Training			
Annual Licensing, Maintenance and Support Year 1			
Annual Licensing, Maintenance and Support Year 2			
Annual Licensing, Maintenance and Support Year 3			
Annual Licensing, Maintenance and Support Year 4			
Annual Licensing, Maintenance and Support Year 5
